Greetings

WE TAKE pleasure in presenting this list for 1950, and we wish to thank our many friends and customers for the liberal patronage with which you have favored us in the past. We also wish you success with prosperity and beauty in your garden in 1950.

USUAL DISCOUNTS TO THE TRADE

INSPECTION -- Our Dahlias were inspected for Mosaic and Ring Spot in 1949. These are two serious diseases to guard against. All of our other nursery stock has also been inspected by the state.

TERMS -- Cash with order or balance before shipment. Shipments will be sent express unless sufficient postage accompanies order.

GUARANTEE -- We guarantee our stock to be healthy and true to name, to the extent of replacement with true stock. We are never satisfied until our customer is.

GREEN PLANTS -- We specialize in green plants and recommend them over roots. Our plants are well hardened off before shipment. They are grown in 3x3x3 bands under moderate heat, and can be shipped any time after May 1. Please choose several extras to be used as substitutes or extras.

ROOTED CUTTINGS -- These are well rooted and easily shipped. We do not guarantee them but add extras in case of loss. These will be available only the first week of April and May.

Rooted Cuttings when available are one-third less than Plant Price

WHITE

(R) Exquisite, (R) Faithful, Michigan White, Northern Lights, (R) Snowball, The Real Glory.

VARIEGATED

(R) City of San Gabriel, (R) Dixie Wine Dot, (R) Pearl Harbor, (R) Prince Beautiful.

Every year we discontinue ten or fifteen varieties to make room for newer ones. These are placed in a mixed collection. Also many seedlings are added to this collection, which are just as good as named varieties, but as you know they must show improvement over older ones. These are 6 for \$1.00

MINIATURES

White Fawn

We have cut our activity in miniatures to growing them for cut flowers and didn't label them this year, except for White Fawn, which we think is the best miniature in existence and grow ten of this to one of the others.

WHITE FAWN -- (Pictured at the left) is a pure white, 3 inch bloom, slightly lacinated and resembles a Carnation. The year it was introduced it was on three honor rolls and won the Darrell Hart Medal for obtaining the highest score in three trial gardens.

25c per Root or 5 for \$1.00

RED AND WHITE SPECIAL

White Fawn used with Nicky K. makes a very attractive study in red and white.

NICKY K. -- A 6 inch bloom of brilliant scarlet with lacinated petals. This commercial Dahlia was certified and on the honor roll in 1949.

2 Roots of White Fawn and 1 Plant of Nicky K. -- \$1.75 or 2 for \$3.00

NOTICE

As you can see by the cover we have changed our name from Dixie Dahlia Gardens to Dixie Nurseries. We have added many items, but due to labor shortage we catalog only a few of them, just sell locally. We have many perennials, such as Red Hot Poker, Peonies, Iris, Day Lilies, Poppies, Shasta Daisies, etc.

Delphinium and Chrysanthemums are the only items listed. We have about 50 varieties of Evergreens in various sizes: also many shrubs including the cultivated Blueberry, to which we have devoted about 20 acres. Inquire if interested in any of the above mentioned.

DELPHINIUMS

After growing these Pacific Hybrids you will do as we have done -- continue growing more and more of them. They bloom twice each year. Our patch is in bloom from June until November. The first ones bloom the middle of June and continue thru July. Many of the early ones bloom the second time in August, about the time the late ones are through blooming the first time.

PERCIVAL	white, black bee
GUINEVERE	pink white bee
GALAHAD	white, white bee
CAMELAIRD	lavender, white bee
KING ARTHUR	purple, white bee

We have cut our crop of Glads 50 per cent, as Delphiniums are easier to grow. Many spikes reach a height of 5 to 6 feet, with florets 2 to 3 inches across.

Well established potted plants give some bloom the first year, and are much more reliable than transplanted plants. However, occasionally they do not come true to color.

BLACK KNIGHT	purple, black bee
SUMMER SKIES	sky blue, white bee
BLUE BIRD	blue, white bee
BLUE JAY	blue, black bee
ROUND TABLE	novelty shades
